

STUDY ABROAD

FOLSOM LAKE COLLEGE
EL DORADO CENTER | RANCHO CORDOVA CENTER

Your assignment is to conduct a comparison between food shopping patterns of Italians and Americans for your Cultural Anthropology class, or analyze two historical artifacts in the Louvre for your History class, or strike up a conversation in a language other than English with people who live in the same city where you are living as a guest. Studying abroad can be the most fascinating and life-changing experience students will have in the course of their college careers. Living and studying in a completely different culture challenges students to re-examine their basic attitudes and outlooks, and helps them become globally and internationally competent and culturally aware of similarities and differences. The Los Rios Study Abroad program is learning 24 hours a day, seven days a week when the classroom is an entire country and culture. Plus, it is incredible fun.

The Los Rios Community College District offers study opportunities in cooperation with the American Institute for Foreign Study (AIFS), and the Northern California Study Abroad Consortium (NCSAC). Programs take place full semesters and during the summer. Classes are taught in English by community college faculty from Los Rios and other NCSAC members, and students take 12 units of GE classes. Programs are offered on a rotating basis in Barcelona, London, Florence, Paris, Madrid, and other sites. The enriched curriculum includes language instruction, travel and field trips, cross-cultural experiences, and resources not available at home to enhance the learning process.

Requirements

- You must be at least 18 years of age or older.
- You must be a student in good academic standing with 12 college units completed by the time you go abroad (semester programs only).
- You need to have a minimum overall GPA of 2.25 in your college classes.
- Financial Aid is available - for more information, contact Stephanie Tran at: trans@arc.losrios.edu.
