

# APPLY & ENROLL

## 1. Apply to a Los Rios College

Create an OpenCCC account using a personal email (or log in if you already have an account) and fill out the online application.

## 2. Save Money—Apply for Financial Aid

Financial aid is any source of funds that help you pay for college. We recommend that you submit a financial aid application to see what you qualify for!

## 3. Set Up eServices and Los Rios Gmail

You will use your Los Rios student ID number to set up eServices, which is Los Rios' online student portal where students manage their information, records, classes, and more.

## 4. Complete Orientation

New student orientation gives you important information to help you succeed in college. You'll receive guidance with the enrollment process and connect with your Meta-Major success coach, who is your go-to person at Folsom Lake College.

## 5. Check Your Math and English Placement

Your placement helps you determine which math, English, or English as a Second Language (ESL) courses you should enroll in. Students can check their placement in eServices.

## 6. Meet With a Counselor and Pick Your Classes

Meet with a counselor to create an educational plan and pick classes to meet your goals.

## 7. Enroll in Classes

You can enroll in classes online via eServices during or after your enrollment appointment window.

## 8. Pay Your Fees

Pay your fees soon after you enroll to avoid being dropped.
