

STUDENT SUPPORT PROGRAMS & SERVICES

Scan & Explore

Basic Needs

We are here to help overcome any barriers to your academic success. We help provide access to food, clothing, housing, technology, or other basic needs at the college or in our community. In addition, our Student Health and Wellness Services provide students with medical and health support.

Academic Supports

Students can get additional academic support with learning challenging course material, developing study skills, and research with on-campus resources including peer tutoring and library services.

Inclusive Communities

On-campus programs provide safe and dedicated spaces that empower students to build community, promote cultural engagement, and enhance the educational experience. Our college is committed to the values of diversity, equity, and inclusion, and creating a welcoming environment for all students to flourish.

Counseling, Transfer, & Career Services

Students receive support in choosing a major, academic planning, career exploration, career counseling, job preparation, and transfer preparation and planning.
