Additional Feedback

Students were given the opportunity to provide additional comments about their experience in the program and more broadly at FLC. Below are the questions students were asked, along with the comments provided by the students:

Please provide any additional comments about your experiences taking classes toward a certificate in Project Management that might help FLC improve the program.

2016-2017

Practicums with simulated projects.

2017-2018

I liked the discussion sessions as it helped me understand other people's experience and different obstacles they face in their projects. I enjoyed doing a research and write on special topics.
